

On May 13, 2011, the Committee filed a 24-hr Schedule E with respect to the May 24 special election in New York Congressional District 26, based on information that was available at that time. The actual information is sufficiently different that we are filing a substitute Schedule E, so the May 13 Schedule E should be disregarded entirely. We are informing the Commission in this manner and filing a substitute Schedule E because Schedule E, unlike other Commission forms such as Form 3X, does not provide a means to register that the report is an amended version of a previously filed report.
